News in Brief

Deb's Ball Scheduled

The number of debutantes scheduled to be presented by the AKA sorority on November 18 has run up to 43. The largest by far in the history of this major social event.

State Teachers Meet

Annual meeting of the Teachers State Association of Texas is scheduled on November 23-25 in Houston. Headquarters will be at Texas Southern University.

"Land-Grant" College Centennial

Governor Price Daniel recently signed a proclamation marking the 100th anniversary of the "Land-Grant Colleges" in each state of the nation. Prairie View A & M and Texas A & M College are the land-grant colleges of Texas.

PV Grad Due Here With Broadway Group

Aaron White, Tenor, a graduate of PV, will appear in the Broadway Theatrical Extravaganza scheduled here on November 20. Mr. White made his stage debut as "Joe" in "Carmen Jones."

Dr. Rousseve's Book To be Reviewed

The Library Science Club will sponsor a review of Dr. Ronald J. Rousseve's book, "Discord in Brown and White" on Sunday afternoon, November 12.

Moore High Choir To Sing at Alumni Vesper Program

Dillard Warner will present his Moore High School-Waco choir as the special feature for Alumni Vesper program Sunday night, O. J. Thomas, chairman of the Vesper program announced.

The presentation is being made by the Local Alumni Club.

In addition to being a graduate of Prairie View, Mr. Warner is a former instructor of Music. He has presented several Moore High choirs on campus in past years and all performances have been excellent.

Thanksgiving Holidays Set

Thanksgiving Holidays will begin at noon on Wednesday, November 22. Classes will resume at eight o'clock on Monday, November 27.

Mrs. Emma G. Harrell (Crockett)
PRESIDENT, GENERAL ALUMNI
Will call executive committee meeting in 206 MC Friday night

Dr. I. T. Hunter (Tyler)
CHAIRMAN, ALUMNI BOARD
Group will hold Homecoming session at 8:00 Saturday morning

Mrs. Minnie O. Stringfellow
(Houston)
MISS HOMECOMING
Will reign over activities throughout busy weekend

Homecoming Day - 1961

Today marks the beginning of the activities for Homecoming. The big observance begins tonight with the customary bonfire and pep rally and ends with the alumni vesper program on Sunday evening.

The Prairie View Alumni Association Boards of Directors will meet in the Memorial Center Building, room 206 at 8:00 p.m. homecoming day. Also included in the activities for the day are the Breakfast dance for alumni and visitors in the Memorial Center Ballroom beginning at 4:00 a.m.; the Student Breakfast Dance at 4:00 a.m. in the Auditorium Gymnasium, and the General Alumni Meeting in the Ballroom from 9:30-11:00 a.m.

The Homecoming parade with floats, decorated cars, bands and drill team, will begin at 12:00 p.m. The theme for the celebration is "Excellence Through Preparation." Judging of parade entries will be based on (1) theme (2) mobility (3) design, color scheme and (4) attractiveness. First place winners in all categories will receive engraved medallions.

The featured event is the football game between the Panthers and Bishop College Tigers at 2:00 p.m. on Blackshear Field.

Miss Homecoming of 1961 as well as her attendants will represent the class of 1951. The queen for the day is Mrs. Minnie Alfred Stringfellow, a Houston public school teacher and a native of Baytown, Texas. An outstanding student both at Carver High School and at Prairie View the former Miss Alfred is the wife of Floyd Stringfellow, also a Houston teacher.

Attendants to Miss Homecoming are Miss Billie Joe Baker Chew, Fort Worth, and Mrs. Helen Ruth Mays Henderson, Wichita Falls.

noted educator and physician of Houston.

Dr. John W. McFarland, superintendent of the Houston Public School System delivered the dedicatory address. Mrs. Eulalia C. Grace is principal at the school.

Thirty-Three Top Students Nominated for Who's Who

A total of thirty-three students have been nominated for inclusion in Who's Who among students in American Universities and colleges.

The Student Council and student life personnel at the college compiled the final list after receiving nominations at large from students and faculty members. Prairie View's quota in the annual listing of Top American college students was thirty-two, but officials here submitted thirty-three names.

Students making the coveted list include: Ruby J. Adams, James Anderson, Nethelyne Ar-

chie, Homer L. Barton, Zelmo Beaty, John W. Berry, Ann R. Bostick, Lenola Busby, Atlas R. Devereaux, Efton G. Geary, Mary E. Gray, Deralyn M. Gregory, Wesley L. Holloway, Carl C. Jackson, Thomas Jefferson, Thomasine Johnson, John E. Landry, Helen M. Lomax, Earnest R. Moore, Rita J. Moye, Herman H. Norman, Mary J. Randle, Alice L. Scoggins, Mary E. Shepherd, Evelyn T. Shepherd, Winnie Stokes, Clarence Stubblefield, Wayland T. Washington, John W. Wilkinson, Eva J. Wilson, Sulsa A. Windom, Sanderson A. Woods and Charlotte A. Young.

Children's Book Week Set For Observance November 12-18

During the week of November 12th through the 18th the

W. R. Banks Library Science Club and the College Library Staff will be sponsoring various programs in observance of Children's Book Week on the campus of Prairie View A & M College.

Children's Book Week is a rather significant occasion that has been nationalized throughout the United States and Canada. It has as its purposes: 1) to foster an appreciation for good books; 2) to encourage their usage as primary sources to intellectual growth, cultural

Miss Texas High Contest Planned

The Student Press Club will soon announce detailed plans for the 1961-62 Miss Texas High Contest.

Planned tentatively for May 8-9, the big event is expected to attract a much larger number of contestants than last year. Persons involved in student publications activities at the college are members of the Press Club. Other students interested in journalism, photograph, art, or public relations are invited to join.

President Evans Unveils Portrait Of Dr. Osborne

President E. B. Evans described Former PV Principal John G. Osborne as "a man of courage and determination" before unveiling a huge portrait of the educator during dedication ceremonies at the new Houston public school named for Dr. Osborne.

Tracing the life and services of Dr. Osborne, Dr. Evans credited him with founding the division of Nursing Education, improving the college staff, and establishing the four-year college course at the institution in 1920. Dr. Osborne's administration lasted from 1918 to 1925.

The John G. Osborne Elementary School at 800 Ringold Street, Houston, Texas held its dedicatory services Sunday November 5 in the school auditorium. The school, which opened its doors for the first time in January, 1961 is named for the late Dr. John Granville Osborne,

Jamaican Students Enrolled at PV

Prairie View A. and M. College is extending its educational influence as a result of the enrollment of two students from Jamaica, West Indies. These students are Charles D. Whyte and Pauline Delgado.

Charles D. Whyte, a sophomore in the School of Agriculture, is from Kingston and is majoring in Agricultural Economics. Whyte was employed for three years as overseer on a sugar cane estate after graduating from Manchester College (Secondary School) in Kingston, Jamaica, West Indies. Upon arrival in the States, Whyte was interested in heavy equipment for agricultural engineering and consulted Le Tourneau Institute representatives at Longview, Texas for advice regarding the selection of a college for training in agriculture. The Le Tourneau representative recommended Prairie View A. and M. College. The studious young Sophomore expects to return to Jamaica after graduation and apply the results of his education in contributing toward the agricultural development of his Country.

Pauline Consado Delgado is a graduate student in Sociology and received the B. S. degree from Virginia Seminary College, Lynchburg, Va., with a major in Social Science. Miss Delgado's home is in Maroontown, St. James, Jamaica, West Indies. The attractive young graduate student's educational sponsor is

Practice Program Provided for Public Health Nurses

The Prairie View A & M College School of Nursing Education provides for its senior students a nine (9) week public health practice program with theory concurrently.

Family-Centered public health nursing services are rendered by student nurses. Home visiting to families is the traditional approach practiced during and following classroom instruction, where lectures, group discussions, exhibits, reports from special reading assignments and health education films and film strip are methods used to assist student nurses in recognizing identify her role in assisting the health problems in the home and individual or family members in working toward solving their problems.

Our student nursing district covers the Negro populated area of Hempstead six (6) miles from the college campus. This may be expanded at the discretion of the instructors or field teacher to include any area in the county with situation that offer meaningful student learning experiences.

the Foreign Mission Board. Dr. E. S. Branch is Secretary-Treasurer of this organization. Miss Delgado plans to return to Jamaica upon completion of her work and serve as a Social Service Counselor.

Twelve "Astronauts" Give \$100 Each To Memorial Center Cultural Movement

"The number is now twelve, and there are several more expected to come in soon". This is how E. E. Cleaver, Memorial Center director, summed up current progress in "Operation:

Cultural and Civic Readiness".

Twelve refers to the number of persons (astronauts) who have contributed \$100 each to a fund designed to expand the cultured and civic programs in the Memorial Center. This means that \$1200 has now been received and "there is hope of at least three more by Homecoming — the first target date", Mr. Cleaver said.

The first twelve supporters of the project include: O. J. Baker, college Librarian, Prairie View; Dr. William M. Brown, M. D., Chicago; Mrs. Victoria Allen Banks '38, vice-chairman, Michigan State Social Welfare Commission, Lansing, Michigan; Mr. and Mrs. H. S. Estelle '12, 12, teachers and former district agricultural agent, Waco; Thomas E. Gray, '41 science teacher, E. O. Smith High School, Houston; A. A. Rayner, Sr., '11, Mortician, Chicago; Mr. and Mrs. Van McClellan; Gus Jones, Navasota; Dr. E. B. Evans, president, Prairie View A & M; Mrs. Chisum, Dallas; and Hobart Taylor, Jr., Detroit, Michigan.

The original objective of the project was to secure \$10,000 to endow the cultural and civic development program of the center. According to Mr. Cleaver, the project will be continuous and the Center will continue to receive gifts for this purpose. Funds from the project will be used for the following programs, Cultural Development:

(1) fine arts experiences through music, art exhibitions, drama, crafts and hobbies (2) experiences in social graces through receptions, formal dances, style shows and workshops (3) acceptable behavior experiences through activities, discussions and social contacts (4) cultural understandings through conferences, lectures and travel.

Civic Development activities include (1) community understandings through group planning with students, staff and administration (2) responsibility experience through directing out of class activities (3) leadership training through forums, debates, lectures, workshop and conferences and (4) citizenship skills through writing, speaking, electioneering and committee jobs.

Coronation of Miss PV Set

The coronation of Miss Prairie View has been set for January 11, student life officials announced.

E. E. Cleaver, director of student activities, is directly responsible for the coronation program. Memorial Center student groups and staff members carry out the details of this program.

Miss Prairie View (Miss Charlotte Young) plays a major role in planning the event herself.

Five PV Students Nominated For Woodrow Wilson Fellowships

Five members of the senior class have been nominated by Staff members as candidates for Woodrow Wilson National Fellowship Foundation awards. This announcement was made by Mr. L. C. McMillan, Registrar Campus Representative for the Foundation.

The five nominees and their major areas are Miss Mildred E. Ferguson, Business Education; Mr. Sulsa D. Windom, History; Mr. Charles M. Williams, Biology; Mr. Rutherford C. Wooten, Biology; and Miss Deralyn M. Gregory, Biology. Mr. McMillan stated however, that the latter two nominations came in too late to meet the October 31 deadline and cannot be given consideration.

The Woodrow Wilson Foundation seeks to recruit highly qualified men and women to the profession of teaching. The foundation seeks to achieve this objective through the granting of fellowships for the first year

graduate study and by stimulating and encouraging college and university faculties to think seriously about security for the teaching profession.

The fellowships are limited to those disciplines traditionally considered part of the liberal arts curricula- the humanities and social sciences and to add a few peripheral disciplines now taught within the liberal arts framework. In exceptional cases candidates who intend to major in a science are considered, but only when they show particular interest or aptitude in teaching at the college level. Three of this year's nominees are science majors.

The three persons nominated by the October 31 deadline must complete dossiers and file them with the Regional Woodrow Wilson Representative, Dr. John H. Hubbard of Tulane University, in New Orleans, Louisiana. If the Regional Screening Committee thinks the nominee's cre-

Lt. Masters Assigned to Ft. Monmouth, N.J.

Lt. Charles O. Masters is a May Prairie View graduate in the department of Electrical Engineering.

He is a graduate of Emmett J. Scott High School, Tyler, Texas.

In September, 1957, he enrolled in Prairie View. He chose Electrical Engineering because it was a challenging field with many potentialities. Along with his subjects, he was a participant in various campus organizations and activities.

He graduated Magna Cum Laude in the Division of Engineering. He was publicity chairman of the P.V. Student Branch of the American Institute of Electrical Engineering. Company commander of Company "C" ROTC, member of the National Society of Pershing Rifles, Inc., a member of the C. L. Wilson Student Chapter of the Texas Society of Professional Engineers and a member of the P.V. Tyler Club.

Among his awards and certificates were the winner of the Slide Rule Contest for Freshmen trophy presented by the Department of Engineering for making the highest score in a competitive test which included the basic fundamentals covering a four year college course in engineering.

Lt. Masters received a commission as a second lieutenant in the Signal Corps of the Regular Army.

This summer he was employed in Electronics Research for the Army in Dover, New Jersey. After a months' vacation in New York and Canada he reported for Active duty October 8, 1961 at Ft. Monmouth, New Jersey in the Signal Corps for additional training.

His proud family consists of Mr. and Mrs. Elmond Masters, Sr. of Tyler, Texas; two sisters, Barbara, a senior student in Nursing Education and Ivie Jo, a junior student in nursing education, at present on Psychiatric Affiliation at the University of Texas Medical Branch, Galveston, Texas and one brother, Elmond, Jr., a '58 P.V. graduate presently employed by the State of New Jersey as a Counselor.

TSU History Prof Is Forum Speaker

Dr. John Reuben Sheeler, professor and head of the Department of History and Geography, Texas Southern University, will speak at the Sunday Evening Forum, Sunday, Nov-

ember 19, 4 p.m., in the Ballroom of the Student Union. The theme, according to W. Van Johnson, Director of Student Christian Associations, will be "THE ROLE OF DEMOCRACY IN WORLD AFFAIRS."

Dr. Sheeler is a native of Riceville, Tennessee. He attended the Presbyterian school in his native home. He received the A. B. degree in English and History from Knoxville College, the A. M. degree from Fisk University and the Ph. D. degree from Syracuse University in New York.

Final Rites Held For Mrs. Wilson

Funeral services for Mrs. Helen Grant Wilson, 54, were scheduled for Saturday morning, November 5 at 10 o'clock at Mt. Corinth Baptist Church in Hempstead.

Mrs. Wilson died suddenly of a heart attack on Saturday, October 28 while on the job as matron of Suarez Hall (Annex), dormitory for women. She had been employed to substitute for the regular matron who is on sick leave.

A resident of Prairie View for the past 30 years, Mrs. Wilson is the wife of Jesse M. Wilson, a long-time employee of the college in the field of tailoring. She is native of Austin, Texas and a 1948 graduate of Prairie View.

She is survived by her husband, a son, Jesse Wilson, Jr., a daughter, Mary Helen James, a brother, and two sisters.

That Old PV Spirit

Clearence Lee Turner

This is the time of the year when college students throughout the United States prepare for Homecoming. I would like to remind you that as you prepare to enter cars, floats, etc. in the parade and have your best suit cleaned, and buy corsages that this is not all that goes into making Homecoming what it should and ought to be.

Stop and ask yourself the question. What is the major event that is to take place during the Homecoming activities? I am sure as you think about it without a doubt you will say the football game. Will the beautifully decorated cars help the team win? Will the lovely corsages and warm winter suits help the team win? No. The only thing that is going to help the team and give us that Homecoming feeling is that... good old P. V. spirit.

How do we get this spirit — by going to the bon fire, pep rallies and boosting our team. There is an old saying that love

and marriage go together like a horse and carriage... well that good old P. V. spirit and our team go together like a car and a garage. Now you take a new car and let it stay out in the weather and never build a garage to protect it; by the time you get ready to use it it is all run down. That is the same way it is with the team. Now you take a good team and put them on a football field to play ball and give them no support; by the time that the last quarter comes around and you feel like supporting them, the team is either tired, disgusted because you did not support them, or maybe they could be like the new car... run down.

Do we want to win... yes we want to win and in order to win we must support our team. Band, strike up the music; cheerleaders, start your cheers; and, students, get that good old P. V. spirit because we are not going to let our team play our Homecoming game without our support.

Integrity in Education

We use the word "integrity" very loosely. Most of us are certain that we possess this desirable quality. It's kind of like another often-used word — "prejudice". It's always the other fellow who has it. Many of us go along because it is the accepted custom. If we are a bit lax in integrity, it's also because of the status quo. We can't beat the system.

Perhaps the greatest need for a soul-searching look at integrity is in the field of education. Not that "the lack of it is any greater in education than other fields of endeavor. It comes nearer the truth to say that education is trying to keep up with many aspects of business, industry, government, medicine and others. Education becomes a part of the system of "slick" operations and sharp maneuvering.

Good or bad, education can not afford a lack of integrity in any of its dealings. The stakes are too high — they are the young people of this land and the future hope of civilization.

Education of Negro young people can ill afford the lack of integrity and "sincerity of purpose" more than any others. We are already too far behind to lose any time, and the ill effect of a "Sham job" education is irreparable.

A lack of sincerity may manifest itself in poor scholarship, cheating in class, plagiarism, little or no preparation, dis-interest, lack of appreciation and countless other misdeeds which lead many down the road to failure. "We see others get by, so why should I work? What about a job later on? Oh, they go to "those in the know," not to the ones prepared.

Somewhere, somehow, we must begin to put the

A Homecoming Prayer

Most gracious Father, we thank Thee because Thou has blessed us, parents, alumni, friends and students to be able to participate in another series of Homecoming activities. We pray that Thou would not take away the spirit of this occasion, but that Thou would strengthen us and give us guidance so that we will be successful in our endeavors. We pray that Thou would bless the teams to be able to perform as they have been trained and that the better trained team will win. These and other blessings we ask throughout our Homecoming activities in Jesus name — Amen.

Reunion Classes

Reunion Classes of 01, 1911, '21, '31, '41, and '51 are expecting a big week-end of festivities. The 9:30 meeting of the General Alumni Association will give special tribute to these classes.

Several reunion breakfasts, luncheons and other special activities are planned throughout the week-end. A Homecoming breakfast dance scheduled during the early hours Saturday is one of the major activities sponsored by the alumni group.

314,000 Students Enrolled for Advanced Degrees

Total enrollment for advanced degrees in all fields of study in the fall of 1960 was 314,000, an increase of 9,000 (3.0 percent) from the fall of 1959.

A total of 605 of the nation's colleges and universities reported this information to the U. S. Office of Education.

The largest number of 94,000 were reported to be studying in the field of Education. The social sciences had the second highest number — 37,000, Engineering was third with 36,000. The physical sciences had 25,707 graduate students, and business and commerce 25,342.

It pays to look your best before crossing the street.

Manners, wrote Lord Moulton, noted British jurist and parliamentarian, is obedience to the unenforceable. Like traffic laws, maybe?

My Neighbors

"Hello, Dear—still mad at me?"

brakes on this trend of thinking. As we begin a year dedicated to academic achievement, let us adopt as our watchword — integrity. Let us put real sincerity into all of our educational efforts here, and in so doing help to put real meaning into this worthwhile college goal.

Welcome Home

The Panther is proud of this opportunity to welcome alumni and ex-students back to the Alma Mater.

Our job on the Panther Staff is much like it was when you were here — keeping the campus community informed, and in whatever way we can — helping to build a greater Prairie View.

We are glad to have you back home again.

Message to Faculty and Students Of Prairie View A. & M. College

"Excellence is never given to anyone, it is truly the reward of hard work. One must have the will to strive for it. Without preparation one will never obtain it."

MRS. EMMA G. HARREL
Class of '33

Young Patriotic Americans

Today, more than ever before, the American youths are learning more about the structure and functions of their government. In doing so, they learn to appreciate democracy through patriotic deeds, thus, they advance toward freedom, equality and dignity which are the essential principles in the American way of life.

The American youths should value their schools highly because it is here that they learn how to use their minds creative-

ly, how to think, how to study and finally how to live. In order to become a worthy citizen of your country, you should learn to obey rules and cooperate with your schoolmates.

The young American citizen should adopt the motto: "Patriotism begins at home." This motto grows out of the old saying: "Charity begins at home."

Fashion Globe of Winter Previews

By Johnnie Louise Reed

Right now, the fashion picture is prettier than it has been in many a season. It's not stylized or regimented; it emphasizes individuality and freedom of choice. And — happily — last summer's trend to softness has not disappeared. It has actually gained strength.

Fashion today is all-out for gentle lines, graciousness, downright flattery. The only restrictions are that we be feminine and that we choose styles which suit us.

Shoes which have been needle-pointed still are, in many instances. But there are other shapes in square and oval tips, as well as in those that are softly tapered. This applies to both play and dress footwear. Heels, too, very fractional, mid and high.

Dresses are so feminine they're hard to believe. They feature drapery, softly-full skirts, intricate side closings. Pleats are anywhere and everywhere, and the bosom is softly outlined. We have all the frills. These "dressmaking details" even include buttons and bows, but they are used with subtlety and sophistication. The trend is to a custom-made look.

Skirts stop just below the knee, occasionally sooner. Waistlines are usually at nature's level, sometimes slightly lower are diagonal seams, there is lots of trim. In the latter department, fur and especially fake fur — is a stand-out on hems.

That "little black dress," so important to mother and grandmother is enjoying a happy revival. A small wardrobe demands it, no extensive wardrobe would think of being without it. Here, the line is softly draped, but tends to the classic. After all, a good LBD is meant

Today' Thought

By Rose Mary Saunders

Bad thoughts are worse enemies than lions and tigers; for we can keep out of the way of wild beasts, but bad thoughts win their way everywhere. The cup that is full will hold no more; keep your hearts full of good, that bad thoughts may find no room to enter.

Every one must see and feel that bad thoughts quickly ripen into bad actions; and that, if the latter only are forbidden, and the former left free, all morality will soon be at an end.

West Virginia University.

He served in the state of Ohio as teacher, Educational Director and as a member of the Council of World Affairs.

Dr. Sheeler has served on the faculties of Lemoyne and West Virginia State Colleges and Texas Southern University. Since 1954, he has been head of the Department of History at the latter institution.

In 1959, Dr. Sheeler was appointed as American Specialist to Pakistan, Denmark, Norway and Sweden by the U. S. Department of State. Also in 1959, Dr. Sheeler was appointed Consul Honoraire D'Haiti. He has published some 20 articles in Historical and Educational journals.

The Prairie View Family is invited to attend the Sunday Evening Forum, sponsored by the Prairie View, YM-YWCA.

to serve for years.

Sweaters are still tops as tops, on campus and off. With new textures appearing regularly styles range from the classic country sweater to the smoothly formal. In between, there are the wonderful bulky weaves, the fleecy "brushed" type, the newly-important handknit look.

And what about color? In everything — shoes, dresses, sweaters, skirts — there is a lovely range of "suit yourself". Perhaps the two most important trends are to multi-colored jaguard prints and the brown tones which appear as tobacco, taupe, spice. Almost as popular are off shades of blue and green (amethyst, leaf). Then there are the vivid: turquoise, a deep red clearer than wine, peacock, and magenta. Plus the orange hues which were popular last summer and still continue its popularity.

Girl of the Month

By Johnnye Louise Reed

Girl of the month is our charming "Miss Prairie View," Charlotte Ann Young. Miss Young comes to Prairie View from Dallas, Texas. She is a senior, majoring in English and minoring in French.

Miss Young is a very active young lady on Prairie View's campus. As a freshman, she was voted "Miss Dallas P. V." During her sophomore year, she was the "Band Sweetheart." Her junior year, she was "Les Beaux Arts Cultural Club Sweetheart."

At the present she is a member of the Newman Club, vice-president of the English club, business manager of club twenty-Six, junior member of The National Council of Teachers of English, assistant teacher in the English Department of classes 103, and was listed among other students of colleges and universities in Who's Who in American Colleges and Universities during '60-'61.

Doesn't she rank high on Prairie View's campus?

American Ed. Week Observance

President Kennedy has designated the week of November 5 through 11 as American Education Week, 1961. The theme this year is "Your Schools: Time for a Progress Report." Sponsored by the NEA, the American Legion, the United States Office of Education, and the National Congress of Parents and Teachers, AEW offers every college and university a chance to tell the story of American Education to its many publics.

America is the second largest land mass of the globe.

How much preparation is needed for COLLEGE?

Most important is the financial preparation you must make now to assure through life insurance the funds your child will need later on. Contact me for full details.

Memorial Center Holds First Anniv.

Reverend Kenneth Henry, Professor of Religion at Jarvis Christian College, and a graduate of Yale Divinity School climaxed the first anniversary celebration of the Memorial Center at Prairie View A & M College as guest speaker for the Sunday morning service, November 5, 1961. Speaking before approximately fifteen hundred students and faculty members, Reverend Henry spoke on "The Whole Duty of Man." The topic correlated very well with the anniversary's theme: "Cultural and Civic Readiness."

The Prairie View Community got an opportunity to personally greet and chat with the distinguished guest that afternoon at the cake-cutting ceremony and reception held in the Memorial Center.

"Financial success is a wonderful thing. You meet such interesting relatives."

Essay Contest Announced

The editors of the Philosophical Library are pleased to announce the topic of the 1962 Essay Contest, open only to members of the teaching profession:

TOWARD A NEW PHILOSOPHY OF EDUCATION

The contest will close September 15, 1962, and carries a prize of \$500.00. The competing essays should be from 25,000 to 75,000 words in length and deal with the general topic of the philosophy of education.

The award of \$500.00 will be paid for the winning essay and also constitutes an advance towards royalties at the time of the publication of the manuscript in book form.

The committee of judges for 1962 consists of William H. Kilpatrick, Emeritus Professor of Education, Teachers College, Columbia University; Professor Vergilius Ferm, former President of the American Theological Society; and Dr. Dagobert D. Runes, author and editor.

Consideration for others may delay traffic, but it also permits a few people to live out the full length of their normal lives.

NURSES NOTES

By Shirley Richardson

Student Nurse Asso.: What it Means

The Prairie View A. & M. College Student Nurse Association is at work again this year with much enthusiasm, and many plans for advancement. The membership of the Student Nurse Association is composed of all students enrolled in Nursing Education. The Student Association boasts a membership of 152.

The Student Nurse Association has the following as its primary purposes: To aid in growth and development of the individual student by fostering good citizenship; to serve as a channel of communication between the student nurse organization and various units of the professional nurses organizations of the United States; to introduce professional organization on a local and national level to student nurses and to encourage participation in meetings and activities; and to provide a closer bond and a more unified spirit among the student nurses through group activities on the local and national levels.

The Association is a member of the Houston - Prairie View Region of the Texas Nursing Students Association, which is composed of Prairie View School of Nursing, and schools of nursing in Houston. It is also a member of the Texas Nursing Students Association, which is the state organization, and the National Student Nurse Association, which is the national organization.

In addition to its other purposes, the Student Association strives to bring a closer relationship among the classes enrolled in Nursing Education.

The Association anticipates a prosperous and dynamic year with the talented group of students we have, and with the leadership of our president, Shirley Gee.

If You Ask Me About The Common Cold

Fall is here, and winter is approaching. A frequent accompanist of these two seasons is the common cold, which is a viral infection affecting the upper respiratory tract predominantly. It thrives very easily in one whose body resistance is at its lowest ebb. Once the virus or the "bug," as it is often called, invades the body, the following symptoms are the usual results: A running nose; headaches; obstructed nasal passage due to swollen mucous membranes; sneezing, in effort to open the nasal passage; chills and fever; and general malaise or a feeling of exhaustion. The virus or "big" is now in command.

Emphasis is placed on preventing the virus from invading the body rather than throwing one's self to him and then come crying, "Doctor, do something, for I just feel so bad." Some of the ways for prevention of the cold are as follows: Avoid undue exposure at all times, especially during the chilling seasons; maintain proper room ventilation; eat a well balanced diet; get adequate rest and sleep; avoid dressing too warmly; avoid the risk of eating behind your neighbor; and be able to recognize early symptoms so that treatment may be instituted early.

Mind you, I said treatment, and not cure, for there is no cure for the "bug," but it can be treated symptomatically. If you are among the unfortunate and contract a cold, the proper measures to take are confinement to bed, forcing fluids, and a visit to the family doctor. Help avoid further spread of the "bug" by proper disposal of tissues used to catch droplets from sneezing, blowing, and coughing.

It is well to practice good health habits daily, for the "bug" will get you if you don't watch out.

News From Schuhmacher

By Wendel McCoy

Men of Schuhmacher (B) Section, request permission to be put on the Cigarette Welfare Committee.

Melvin Wrightsil is finding it hard to love someone like he did in Bigsprings.

Ronald Willis wakes Duke McCoy up every morning doing the pony by the radio (what an alarm).

Kenneth Wilburn Turner tells his room-mates "I can intergrate better than anyone in this dorm."

Winnie Brown has already told Robert Foots that he can't kick and so he has stop trying.

Oscar McNairy says "Give me some love and Action is going to speak louder than Words."

Joyce has put the "Hurt" on Percy Williard.

Room-mates in B-12 say they are going to do the "Fly" if the maintenance don't fix their screen.

Room-mates in (B9) are burning the night oil playing 'Bid Wisk'.

The men in (B Section) would like to thank the Dean for giving them the best monitor on the campus and in the state, Mr. William Batts, in his eye sight every boy is a good boy.

On Campus with Max Shulman

(Author of "I Was a Teen-age Dwarf", "The Many Loves of Dobie Gillis", etc.)

POVERTY CAN BE FUN

It is no disgrace to be poor. It is an error, but it is no disgrace. So if your purse is empty, do not skulk and brood and hide your head in shame. Stand tall. Admit your poverty. Admit it freely and frankly and all kinds of good things will happen to you. Take, for instance, the case of Blossom Sigafos.

Blossom, an impecunious freshman at an Eastern girls' college, was smart as a whip and round as a dumpling, and scarcely a day went by when she didn't get invited to a party weekend at one of the nearby men's schools. But Blossom never accepted. She did not have the rail fare; she did not have the clothes. Weekend after weekend, while her classmates went frolicking, Blossom sat alone, saved from utter despair only by her pack of Marlboros, for even an exchequer as slim as Blossom's can afford the joys of Marlboro—joys far beyond their paltry price: rich, mellow tobaccos, lovingly cured and carefully packed, and an exclusive selectrate filter. Croesus himself could not buy a better cigarette!

However, Marlboro's most passionate admirers—among whose number I am paid to count myself—would not claim that Marlboro can entirely replace love and romance, and Blossom grew steadily moroser.

"Accept these Gifts from Tom."

Then one day came a phone call from an intelligent sophomore named Tom O'Shanter at a nearby men's college. "Blossom," said Tom, "I want you to come down next week for the barley festival, and I won't take no for an answer."

"No," said Blossom.

"Foolish girl," said Tom gently. "I know why you refuse me. It is because you are poor, isn't it?"

"Yes," said Blossom.

"I will send you a railroad ticket," said Tom. "Also a hard-boiled egg in case you get hungry on the train."

"But I have nothing to wear," said Blossom.

Tom replied, "I will send you one suit of cashmere, two gowns of lace, three slacks of velvet, four shoes of calf, five socks of nylon, and a partridge in a pear tree."

"That is most kind," said Blossom, "but I fear I cannot dance and enjoy myself while back home my poor lame brother Tiny Tim lies abed."

"Send him to Mayo Brothers and put it on my tab," said Tom.

"You are terribly decent," said Blossom, "but I cannot come to your party because all the other girls at the party will be from rich, distinguished families, and my father is but a humble woodcutter."

"I will buy him Yosemite," said Tom.

"You have a great heart," said Blossom. "Hold the phone while I ask our wise and kindly old Dean of Women whether it is proper for me to accept all these gifts."

She went forthwith and asked the Dean of Women, and the Dean of Women laid her wise and kindly old hand on Blossom's cheek and said, "Child, let not false pride rob you of happiness. Accept these gifts from Tom."

"Oh, bless you, Wise and Kindly," breathed Blossom, dropping grateful tears into the Dean's reticule. "I must run and tell Tom."

"Yes, run, child," said the Dean, a smile wrinkling her wise and kindly old eyes. "And ask him has he got an older brother."

CLUB NEWS

News from Club Crescendo

Once again Club Crescendo has gotten off to a good start in what promises to be one of the most prosperous years in the history of the club. Despite the loss of the organization's founder, Mr. Samuel W. Davis, who brought the club into existence twelve years ago, the Crescendos, under the direction of Mr. Herbert Brown, promise to continue to hold the standards of maroon and gray high.

The organization began its array of social activities and special events with an annual smoker given for men aspiring to become members of the popular Club Crescendo. Following the smoker, the Club honored Founder's Day by presenting chapel on the Sunday preceding the birth of the Club. The Founder's Day activities were climaxed by the wearing of maroon and gray after five by all Crees on the Monday proceeding the Sunday activities. This also being an annual event, marked the twelfth birthday of Club Crescendo.

The next event in line for the organization will be participation in the homecoming activities to be held on the 11th of November. Club Crescendo will make its contribution to the activities by presenting a float and joining other organizations in welcoming alumni, ex-students, and friends of Prairie View to the Campus on Homecoming.

Club Crescendo participated in the Intramural Touch Football League and is very proud to have been represented so nicely. Crescendo Virgel "Bird" Guess, the club sports manager, led the Crees through four wins and two losses. Members of the maroon and gray squad are Morris Deese, John Landry, John Hicks, Willie Pierce, Larry Mosby, Willie Stephens, Wesley Wilson, Matthew Rainey, Nathaniel Brown, Luther Eagleton, Clifford Simmons, Parker Walton, Charles Tutt, Harold Guidry, and Al Burrs.

The Crees plan to enter the Intramural Basketball League with a better stride. The manager, Virgel Guess, says his team looks very promising.

In order to stay well versed on the happenings with the Crescendos, just watch them.

DOROTHY WHITING

Miss L. B. A. 1961-62

To show the students how the LES. BEAUX ARTS CULTURAL CLUB taste runs, for the years 1958-60 our queen was Miss Carl Ann Halton, from Dallas, Texas. For the year 1960-61 our queen was Miss Charlotte Young who is now Miss Prairie View, from Dallas, Texas. This year the very collegiate L.B.A. brothers have chosen for their queen a very lovely young lady from Brenham, Texas who is Miss Dorothy Jewel Whiting. Miss Whiting to our idea has the ideal personality, charm and beauty to represent the LES BEAUX ARTS CULTURAL CLUB. She is a senior, majoring in Home Economics Education, she is also a member of the LES BELLE LETTRES CULTURAL CLUB, the sister club to LES BEAUX ARTS.

She is the daughter of Mr. Wayman Whiting, Sr. After graduation Miss Whiting plans to be a home demonstration agent. We the members of the LES BEAUX CULTURAL CLUB salute you Miss Dorothy Jewel Whiting.

Senior Class 1961-62

The members of the Senior Class are getting ready to make this year at Prairie View one of their most enjoyable years. It is the time when many of them will be seeing Prairie View for the last time, and others, well, we won't say it will be their last time, but they are still a part of the 1961-62 Senior class. The class plans to have a number of activities before the year is gone. The Senior class officers are as following: President John Berry; Vice-President Wesley Holloway; Secretary

A New Club is Born

Our profession has had so many demands upon us therefore our participation in the social aspects at Prairie View have been definitely lacking.

The need was recognized to an astounding degree and it was decided something has to be done about it. "A New Club is Born."

What shall our name be? What will be our criteria and who shall belong to it were some of the problems that confronted us.

As nursing students or potential nurses we decided to have our club centered around nursing.

The name Santa Filomena was chosen as a tribute to Miss Florence Nightingale, the founder of modern-day nursing. Santa Filomena means, "The Lady of the Lamp", in reference to Miss Nightingale and her great service rendered in the hospitals during the Crimean War.

The club emblem is the lamp and the motto is "We Strive to Serve".

At present the club is composed of nineteen Senior Nursing Students. The brother club consists of the men of the Cadet Officers Club of the Military Science Department.

The officers of Santa Filomena Club are: President — Lady of the Lamp, Shirley J. Richardson; vice president — Lady of the Lamp, Maggie L. Washington; recording secretary — Lady of the Lamp, Thelma J. Anderson; corresponding secretary — Lady of the Lamp, Geneva D. Rogers; treasurer — Lady of the Lamp, Josephine J. Moore; Parl-Sgt. of Arms — Lady of the Lamp, Shirley M. Gee; Historian-Reporter — Lady of the Lamp, Barbara S. Masters; Dean of Pledges — Margie V. Sanders; Asst. Dean of Pledges — Lady of the Lamp, Barbara A. Brown; Sponsors: Miss A. Clarkson and Miss E. Hooks.

A mixer with the brother club Cadet Officers is planned. Many things are planned for the coming year.

See you next month for more news concerning Santa Filomena Club.

Willie Mae Brantley; Asst. Secretary Mary Gray; Treasurer Atlas Ruth Devereaux; Business Manager William Adams; Parliamentarian James Simpson; Chaplin Ora Tillman; Sgt.-at-Arms Alvin Watkins; Archie Brown; Reporter Samuel Mitchell; Student Council Representative Barbara Brown, Lula McDonald, Johnita Baptist and Faculty Adviser Dr. J. W. Echols.

L. B. A.'s Dream Will Soon Become a Reality

At the close of our 1960-61 school year, the members of the LES BEAUX ARTS CULTURAL CLUB decided to create a new collegiate look on campus. The club decided to create a new milestone by introducing the Traditional Sports Blazer, as a symbol of L. B. A.'s creativeness.

Sure, others will follow, because our aim is to help develop other clubs, as well as the student body, both culturally and socially. L. B. A. takes this upon itself because the club feels that it is its duty to develop a more cultural atmosphere within an academic society. Above is a replica of the blazer that will be seen worn by the members of L. B. A. in the very near future.

Dallas PV Club News

Recently the Dallas P. V. Club sponsored a dance in room 114 of the Student Union Building. Each person was allowed to invite a guest and an extra couple. The dance was seemingly enjoyed by all.

The club is now in the process of making plans for our queen's float which will be seen homecoming day, during the parade. We selected Queen Ester Pierce as our queen, with Marily Walker as the first runner-up and Willie Joyce Blair as the 2nd runner-up.

On November 18, the Debutante's Ball will be held and from the Dallas P. V. Club, the following ladies are prospective Debutantes:

Doris Phillips, Yvonne Ricks, Tommie Ridge, Jean Stewart, Marily Walker, Margaret Lewis, Joan Hurrington, Willie Joyce Blair, Ethel Hayden and Rose Mary Saunders.

Each and every member of the club will strive to make it one of the nicest and most appreciated clubs on campus.

Reporter, Rose Mary Saunders

COGIC

The COGIC Club of Prairie View has taken steps in making this year the greatest year in the history of the club at Prairie View. Having two great sponsors, Miss O. Robinson and Mrs. A. F. Whitehead, the club has made steady progress, but with an additional sponsor, Miss Juanita Jones, the club plans to grow and grow.

With student leaders such as, President, Winnie Stokes; Vice president, Annie Stansell; and Business Manager Clearance Turner, the COGIC Club shall surely grow and grow.

Miss COGIC for this year is Miss Shirley Perry, and the attendants are Miss Polly Bell and Miss Bonnie Beasley. These young ladies will represent the club in the Homecoming parade which is to take place Saturday morning in the pre-homecoming activities.

The COGIC Club is presenting Sunday, December 3, 1961 at 7 p.m. in the Auditorium-Gymnasium, a one act play "And One Was Different," written by the COGIC business manager.

Other officers of the club are the Treasurer, Lena I. Jones; Secretary, Ruby Ray Whitefield; Assistant Secretary, Dorothy Seals; and Chaplain, Tom Elree Jones.

Library Science

The Library Science club has launched its program for the semester, with its first activity being the participation in National Children's Book Week, November 12-18, 1961.

The club plans to sponsor a forum, a children's hour, and a young moderns hour during this celebration.

The officers for the club for the year of 1961-62 are as follows: Ruth Devereaux, President; Ann Ruth Bostick, Vice President; Ruth Brown, Secretary; Betty Mitchell, Assistant Secretary; Patricia Pruitt, Treasurer; Robert Jackson, Business Manager; Ruby A. Branch, Publicity Chairman. The sponsors of the club are: Mrs. Jimmizine B. Taylor, Mr. Sam Peters and Mrs. Trudy Bradley. Ruby Alice Branch, Publicity Chairman

Science Teacher App.

Mr. Charles A. Hatcher has been selected by Mrs. Ella Porter, Supervisor of Mathematics in the Houston Independent School District, Houston, Texas to instruct a class in Modern Mathematics at E. O. Smith Junior and Senior High School. Mr. Hatcher is a participant in the In-service Institute, Mathematics Section, sponsored by the National Science Foundation at Prairie View A. & M. College.

ner that we have planned unless the full cooperation of the members is given. We now have the opportunity and the potential of becoming the very best junior class in the history of the college. So let us make the most of it.

The homecoming activities of the junior class will include, we hope, our Miss Junior Class riding the loveliest open-top car available. The lovely Miss Mary Ann Jolivet was chosen unanimously to represent the junior class for 1961-62.

Any junior wishing to pay his prom dues may pay all or part of it to Miss Marchusa Armstrong and Miss Queen E. Williams in Saurez Annex, Dr. Woods, and Mr. Herman H. Norman and Mr. Johnny Jennings in Alexander Hall.

PRIZE — 1st - Stereo Hi Fi
2nd - Polaroid Camera

RULES — Save listed brands — Marlboro, Parliament and Alpine - 5 points per pack. Philip Morris King Size and Philip Morris Regular - 10 points per pack. Count your packs and put the total amount of packs and the amount of points that you as an individual wish to submit as a participant in this Brand Round-Up. Your student representative — Donald Calhoun will be in the College Exchange from 1-3 p.m. November 17 to accept all entries. Winner will be notified immediately. Good Luck!

BRIGADE NEWS

Pershing Rifles in Boling

The National Society of Pershing Rifles' Drill Team of Prairie View A&M College recently performed at Boling, Texas for the Boling Independent School District. The occasion was the Homecoming Day Celebration for the Boling High School. Prairie View's Drill Team was invited to participate as the star attraction during half time activities of the football game between Boling and Shephard.

Drill Team personnel and other members of the Pershing Rifles organization departed the campus Saturday afternoon, October 16th at two o'clock. Prior to their departure, members were paid an unexpected visit by the President of the Prairie View Student Council, Mr. William M. Batts. Mr. Batts visited the group to wish them well on behalf of the student body.

Travel to Boling was in a bus furnished by the Boling Inde-

pendent School District, with arrival at Boling at 4:30 o'clock that afternoon. Upon their arrival the group was greeted by Mr. D. V. Collins, principal of the Boling High School, and was treated to a very delicious chicken dinner. After the tasty dinner meal the team members toured the school campus, and were able to talk with many potential future Prairie Viewites.

Half time activities began with the Drill Team forming an honor guard for Miss Boling and Miss Homecoming. Miss Homecoming was escorted by Cadet P/R Second Lieutenant James E. Mosby, Adjutant of our Pershing Rifles Company. Following the presentation of flowers to the homecoming queen, the Drill Team performed exhibition drill for ten minutes to the delight of the crowd. Highlights of their performance were the execution of "Hesitation March" and the "Jackie Gleason Forward March."

A WELL-WISHER — The Student Council President, William Batts, Jr., (r) shown shaking hands with Cadet Leroy Lowery, Drill Team Commander. Drill Team members are posed in the background.

Philosophical Society Gives First Program

On Sunday afternoon, October 29th, beginning at 4:00 p.m., the Farris-Ware Company of the Association of the United States Army, presented the Prairie View Philosophical Society forum. The program was entitled the "Ideal of an Educated Man." Cadet Tommie T. Osborne, President of the local Philosophical Society, served as chairman of the program. It was the first in a series of forum programs to be presented this school year by the Society, in the ballroom of the Memorial Center.

Presentation of the program was in keeping with the college's theme for the current school year, "An Academic Atmosphere for the Whole College." The objective of the program was to reintroduce to the Prairie View community the views of some of the great philosophers of the western world on the topic of "The Ideal of the Educated Man." Appearing as members of the panel and summarizing the author's views they represented were: Miss Emma A. Livings, a sophomore majoring in English (Rousseau); Cadet John W. Batchan, a sophomore majoring in Sociology (Marx); Cadet James Flewellen, a sophomore majoring in Drafting (Plato); Cadet George F. Francis III, a sophomore majoring in Business Administration (Hume); Cadet Lee E. Henderson, a sophomore majoring in Biology (Aristotle); Cadet Tommie T. Osborne, a junior majoring in Chemistry (Aurelius); and Mr. Frederick Patterson, a freshman majoring in Industrial Education (Kant).

Each panel member presented a brief synopsis of his author's views on the subject of the program to begin the forum discussions. Following that summary, the audience was invited to ask questions relating to the topic of the forum. A highlight of the program was the reply to the question, "What should we do at Prairie View to improve or develop a concept of the ideal educated man?" The reply, in general, was: "The Prairie View student came here with a set of experiences, such as the ability to dance, play cards, play football, play table tennis, etc. While here, he should acquire new types of cultural and academic experiences. Of what use is a college education if it does not permit or encourage the acquisition of new and constructive experiences? Above all we should encourage our students to seek knowledge and understanding, not just passing grades."

Future forum discussions planned by the Philosophical Society will be announced at a later date.

Aluminum is the most abundant of metallic elements.

Veterans Day Observed

Dr. E. B. Evans, recently announced that as a tribute to past defenders of our nation and in keeping with the spirit of national unity during current turbulent times, the college will pay its respects to those Americans, both living and dead, who fought in all the nation's prior wars. This was done through the college's observance of Veterans' Day. The Veterans' Day special commemorative program was observed at Prairie View on Thursday, November 9, because of the college's Homecoming Day activities planned for Saturday, November 11. A highlight of the day's activities was the program presented in the college Auditorium-Gymnasium

at 11:00 under the auspices of the college's Department of Military Science, and sponsorship of the Farris-Ware Company of the Association of the United States Army and the Progressive Veterans' Club. Guest speaker for the program was Colonel Roy O. Irvin, U. S. Army. Colonel Irvin, a native Texan and graduate of West Texas State College, is currently assigned as Senior Advisor, Headquarters, General Officer Command, 75th Maneuver Area Command, Houston, Texas. The college's ROTC Brigade Band was featured also, with its renditions of a special "Taps" arrangement and band concert selections presented as a part of the tribute to all Veterans.

PV-lte Selected For Air Force OTS

Clarence L. Williams, a recent PV graduate, has been selected for the Officers Training Program at Lackland Air Force Base in San Antonio. Williams was one of three men selected from this area, an Air Force Of-

ficer announced. The other two were graduates of Texas A & M and Sam Houston State. Williams will serve in the Intelligence Branch.

Tommy Allen, a May graduate is already in the Air Force Training as a pilot.

Clara Robertson, R.N., was sworn in recently as a first lieutenant in the Air Force.

THE CROWD — The Drill Team as spectators in Boling, Texas.

"The Passion: The Crucifixion of Jesus" Presented by Barons of Innovation on Vesper Hour

The Passion, a play centered around the Biblical characters, was presented by the Barons of Innovation at their Annual Vesper Hour Program Sunday, November 5. This presentation written and produced by Baron James Mosby was another in the series of programs under the heading "The Spoken Word With Embellishments."

Assisting the Barons were members of the Kappa Omega Beta Social Club, sister club to the Barons. The play was a very inspiring and exciting one. The Barons pledgees are now wearing their green and white ribbon, in which they are very proud to wear. It is their way of saying that they would like to become a member of the campus best, and stand tall among the top men on the campus. Only the best of these pledgees shall succeed their goal in becoming a member of the Baronage.

CHAS. WARNER

Charles Warner Out for the Season

By Larry Williams

Prairie View's number one left half-back, Charles "Shack" Warner will be out of action for the remainder of this football season due to an appendix operation.

Warner is a graduate of Booker T. Washington high school of Barlett, Texas and is now a Junior at Prairie View. During his two previous years at P.V., Warner has earned four varsity letters. He earned his first letter his freshman year when he played on the starting eleven

Arkansas AM and N Victims Of Panther Attack

By Larry Williams

Was it the sincere support of the cheerleaders and student body despite the bad start of the Panthers this season? Or was it the fact that Charles Warner was unable to play because of an appendicitis operation; or was it just the sheer determination of the team to prove to the coach that they aren't "just plain scared" as was said during halftime in the Grambling game?

There is no one single point that sparked the Panthers to their old style of "Nitty Gritty" hard football. But each player

for P.V. despite the fact of being a freshman. His performance that year earned him the annual award of Most Outstanding Freshman Athlete. His second letter came as a result of his track ability. Warner was a 220 man, 100 and 440 yard dash sprinter and also anchor man on the 440 and 880 yard relays.

Warner, a spirited Panther and indeed a great football player will be missed tremendously by his teammates, coaches and the whole student body.

was motivated by possibly different reasons but each played for the same goal.

After a first half of being inside the Lions 15 yard line four times (on the 2, 8, 10 and 20 yard lines), the Panthers refused to score. The Panthers had to settle for a field goal off the toe of John Harris in the first quarter. A five yard plunge by halfback Ezell Seals and a running conversion by Carl Jackson, carried the Panthers to the dressing room on the short end of a 16 to 11 score.

P.V. bounced back in the last quarter with a touchdown pass from Freshman Q.B. Jimmy Kerney to Otis Taylor that covered 50 yards. Harris added the conversion that put the Panthers ahead, 18 to 16. With only seconds left in the game, the Lions tried a last-hope field goal only to have it blocked by Vernon Guidry. James King picked up the ball and sprinted 65 yards into pay dirt with the help of Joe Summerfield and Mitchell Bailey, who threw the key blocks. Harris, naturally, kicked the extra point.

THE EDUCATED TOE — Fullback John Harris has accounted for practically all of the extra points after TD's with his precision kicking.

Panthers in Easy 41-0 Win Over Texas College

The Panthers encountered a little trouble with the stubborn Texas College Steers, but finally wore them down and moved easily in the final period to run up a 41-0 victory on Homecoming day at Tyler last Saturday.

Halfback Archie Seals scored the only TD in the first half on a 60-yard punt return. The half-time score was 6-0.

Lack of depth in Steer quarters began to show in the third period and the Panther's third and fourth unit racked up the healthy lead.

The Tyler victory was Prairie View's third for the season against 3 losses and a tie.

Basketball Team To Open Season In Louisville

Panther cagers are looking ahead to their opener on December 1 with Georgetown University in Louisville, Kentucky.

Beginning official workout in October, the team is shaping up well and is beginning to take championship form. They are the defending Southwestern Conference Champions and were rated number one by the Associated Press in 1960-61.

With practically the same squad back with more experience, and plenty of bench strength, the Panthers hope to beat last year's top record.

Prairie View's All-American Zelmo Beaty is back in camp and is expected to be in true form for his last year in college. Other Panther regulars on hand include co-captain Clarence Stubblefield, Cornell Lackey, Dewey McQueen, Samuel Garrett, Douglas Hines and Thomas Redmon.

The team is also defending champs in the annual Georgia Invitational Tournament scheduled this year on December 7-9. After Louisville, the Panthers will move into Springfield, Missouri before hitting the tournament in Atlanta, Georgia.

LUCKY STRIKE
presents:
LUCKY STRIKE

"SATURDAY NIGHT"

"Does he have to walk on his hands at every party?"

"Let's step outside and have a smoke, baby!"

"Why do you keep looking at me like that, George?"

"Never go down there alone, Gladys—that's Fraternity Row!"

WHAT HAPPENS ON CAMPUS SATURDAY NIGHT? If you could peek into an average campus on Saturday night you would see students planning a hunger strike and smoking Luckies, ironing their Sunday suits and smoking Luckies, playing dominoes and smoking Luckies. College students smoke Luckies all the time—and more of them than any other regular cigarette. If you go to college, you should smoke Luckies. It's expected of you.

CHANGE TO LUCKIES and get some taste for a change!
